## **THE CHAMBER OF COMMERCE AND INDUSTRY - DOBRICH, BULGARIA**

- ✓ CCI Dobrich is the biggest business support organization in the region of Dobrich, part of the network of the Bulgarian Chambers of Commerce and Industry.
- ✓ CCI Dobrich was established as a non-governmental organisation with the principles of voluntary membership and financial self-support.
- ✓ CCI Dobrich offers services and assistance to members, individuals and non-member companies.

## THE GOALS OF CCI DOBRICH

- ✓ To increase regional economic growth and prosperity;
- ✓ To stimulate international trade and investments;
- ✓ To encourage international exchange and promote the interests of member companies on local, national and international levels.

## THE REGION OF DOBRICH

- Located in Nord-East part of Bulgaria in the hilly Danube plain with borders – the Black sea, the Danube river and Romania;
- Developed agriculture, industry, trade and tourism;
- Regional policy – knowledge and innovation for growth, creating more and better jobs and business friendly environment.

## ENTERPRISE EUROPE NETWORK DOBRICH

*Business Support on Your Doorstep*

The Chamber of Commerce and Industry Dobrich is a host structure of the Enterprise Europe Network. Working through local business organizations, we can help companies:

- ✓ To develop their business in new markets;
- ✓ To source or license new technologies;
- ✓ To access EU finance and EU funding.

Enterprise Europe Network has more than 580 member organizations across the EU and beyond. They include Chambers of Commerce and Industry, Technology Centers, Universities and Development Agencies.

## PROJECT EXPERIENCE

- ✓ More than 30 international projects financed directly by the European Commission or national or foreign governments.
- ✓ Extensive experience in Lifelong Learning, cooperation and innovation projects and expertise in promoting Corporate social responsibility, linguistic diversity and intercultural exchange.
